## KDES ART SHOW OPENS

The Kendall Demonstration Elementary School's Art Show opens today and will run until June 22nd at Kendall's north campus building. All campus persons are invited to attend this exhibit and sale from 8:30 - 4:00. Featured will be batik, plexiglass sculpture, leather craft, book marks, memo boards, copper enameled jewelry and macrame. Some of the items will be on sale with prices ranging from 5¢ - \$20.00. For further information contact Irene Bland, ext. 621.

## ENERGY CONSERVATION TIPS FROM JIM HULL

Want an easy way to save gas and money? Just keep your car tuned and your tires properly inflated. Soft tires and a poorly tuned engine can cost you an extra seventy dollars at the gas pump every year. And that's money -- and gas -- you could be saving. For a free booklet on more easy ways to save energy and money, write Energy, Box 62, Oak Ridge, Tenn. 37830.

Energy -- we can't afford to waste it!

## COMMUTER COMPENSATIONS

There are compensations for that long haul (36 miles) from Arnold, Md., to the campus, say the Alan Crammattes. Like bird watching from their living room. Two mallards have visited and bathed in their swimming pool several times during the past week.

## NO-WAY STREET

The campus road that comes in off West Virginia Avenue by Kendall School is not to be used for through traffic for access to other parts of the campus. This entrance is to be used for access to KDES temporary buildings only as it is used constantly by construction vehicles.

One lane is left open at all times for emergencies and buses.

## SMITHSONIAN TOUR OF GALLAUDET PLANNED

Gallaudet's historic campus will be the focus of a tour sponsored by the Smithsonian Institution on July 21, 10:00 a.m. to 3:00 p.m.

The tour begins on the campus grounds, followed by lunch with President and Mrs. Merrill in their 20 room Victorian mansion. Afterwards participants will enjoy a tour of the mansion's interior, including its opulent Victorian furnishings.

In the afternoon, The LOOK OF SOUND Exhibit will be viewed and discussed along with the Gallaudet story. Judy Bortner, Special Projects Manager, will lead the tour accompanied by an interpreter for the deaf.

Workshop sponsored by the Western Maryland  
Association for the Deaf. Ms. Price  
presented the videotape, "Deaf Patients --  
Special Needs, Special Responses," and  
then served on a panel answering questions  
pertaining to medical needs and care for  
deaf patients. Mary was accompanied by  
Holly Goodling, R.N. and Sandra Dearness,  
a Northeastern University nursing student.

--The Department of Safety & Security  
is pleased to announce that Allen Nowell  
has been chosen as Officer of the Month,  
April, 1979. Allen has undertaken his  
new assignment as Student/Safety Coordinator  
with great enthusiasm and determination --  
establishing liaison and rapport with  
staff and faculty in areas of fire safety,  
participating in fire drills and in  
development of fire safety lectures.  
DOSS would like to recognize Allen  
for his endeavors.

ON THE GREEN is published each week by the  
Office of Alumni and Public Relations for  
the staff and faculty of Gallaudet College.
